“ *I never had the privilege of meeting Nathalie's family, but I worked with her at the State Attorney's Office in Tavares for about 6 years back during the Oldham administration. She was everything her obituary says and more. She was a kind, caring, humorous wonderful lady. I enjoyed getting to know her and working with her in those years so long ago. What a wonderful legacy she has left for her family and friends. My deepest sympathy and condolences to her children, grandchildren, great grandchildren and her great, great grandchildren. It's a blessing to have known her here and I look forward to visiting with her in eternity. Until then, God bless you all. Linda (Smith) Witt*

“ I don't know where to begin. Nathalie was a wonderful neighbor. She taught me many card games and could beat me even when she was 95 years old. The main word to describe Nathalie is "A Southern Lady". We spent many hours sharing memories of Leesburg. I have missed her since she went to live with David and Kathy. The world was a far better place to live because Nathalie was a part of it.
