“ To the Ladesic family You truly have my prayers for Nathaniel, From what I can say is I was a paramedic in Wisconsin and I truly feel your pain, I too have lost a son. We have to look at the funny videos we have and cry, cry all you want to. He has not left you, but is with his heavenly father waiting in time for his family. But he is now with family that has passed. You do not know me but I am a new Florida resident and I saw the story break and my wife and I just were stunned. If you need to talk I included my email we are not alone . and always remember the Nathaniel you all raised. God bless you

She is such a sweetie! My thoughts and prayers are with your family. I pray that God will give you strength, comfort, and the peace that passes all understanding.

Always practice boating safety...even if you are aan avid swimmer...my son could swim, but he had asthma..i am a better person because of this horrible thing..maybe something good can come out of , maybe one or more life will be saved who knows!Thank you astor for the donations to the united southern bank!!

“ I had the please to work with Nathaniel on many occasions as his substitute at UMS, he was an amazing student that always made me laugh! It was nice to see that he carried a book around that he was reading because not many do. He will be greatly missed by so many!!
