“ I had not spoken with Neil and Mary for quite a while and I tried to call and none of the phones worked, so I was concerned and looked up online and found that Neil passed away last June. I'm so sorry. Neil will really be missed. He made our neighborhood fun over here in Palm Bay. Wow. I'm in shock! Love to Mary and family.###GESTURE###

“ I love my dad, at times, I have been disappointed by my dad, I disliked my dad, but through it all he was my dad and I loved him dearly. I can remember great family times at holidays, summer trips to the beach and zoo. Yearly trips for a summer vacation to Pennsylvania, and Hunting and fishing trips. I know that he provided tough love for me many times. I know he cared deeply for me but could rarely show it. He fought off hugs and kisses, but I know that he appreciated them by his responses. He is missed and cried over daily. He always presented a challenge for me to work harder and play harder. He is missed.

“ Neil will be missed. I do not know of a kinder and gentler man I ever meant. He was one of a kind. I never heard him speak ill of anyone. He loved life and his family. I will miss playing golf with him and the laughs we shared with him & my sis. My love to my sister and the family. Neil was my favorite brother-in-law (only one) and more like a big brother. I guess he will have to wait until I get to heaven to show me his home movies for the 100 th time. Love and my heart is with you sis and all the family .

“ Neil, You will be missed my friend. Officially my brother-in-law, but sometimes like a father to me, sometimes like a brother and always a best friend. We golfed together, shopped together, went out to eat together, rode to the airport together and always had a good time. I will miss you Neil and thank you for taking such great care of my sister. May you rest in peace in Heaven my friend. My God bless you.

“ *Words can't express the sadness I feel over losing my Uncle Neil. He was a great Uncle and wonderful older brother and friend to my Dad who pre-deceased him in 2011. He was always so energetic, adventurous, and full of life. I will always have fond memories of our family gatherings on Easter at Greynolds Park; the tennis matches I watched him and my dad play at Bright Park; and the night I slept at his house and he put red magic marker dots on me and my cousins necks, ankles, and arms to make us think we got bit by a vampire while sleeping. As years passed and we got older, he was there for my wedding to my husband Danny and then for our two daughter's weddings. He also spent valuable time with our son Kevin, visiting with him and helping him with his golf stroke. I very much enjoyed, and will miss, our talks about the Garcia ancestry that helped me with my family tree research. Me, my husband Danny, and our family will miss him dearly and he will live on forever in our hearts!*
