*We were cleaning for Joey for seven years and became close friends. Last year we took her out to see the Christmas lights then dinner. We were hoping she would see another Christmas with us and was going to invite her over to see our home again. She had a favorite hot dog stand in downtown Leesburgh, she would get a hotdog and a martini. She was a strong women who never gave up. I could remember last year calling her and saying how are you Joey and she replied, I'm driving a 26 foot Uhaul and pulling her daddy's truck on the back, I'm like ok I have to get off the phone so you can drive, lol. We will always love her and will miss her dearly. Mark Gloria.*

“ *Joey has been a part of our family for all my life. As a young girl, I remember her as a contestant in the Leesburg Watermelon Festival beauty pageant. I was quite impressed with how beautiful she was. As I grew older and knew her even more through activities in our families, I was even more impressed with her beauty from within. I'll miss her.
