“ Dear Family of Nellie Masser: We are saddened to learn of Nellie's death but at the same time rejoicing in knowing that she is once again reunited with her loving husband, Ray. We so enjoyed spending time with them while they were residents of Mobile Home Estates in Tavares and our memories of both these beautiful people will stay with us throughout our lives. At one time they came to visit us at our cottage in Houghton Lake Michigan and thoroughly enjoyed a boat ride on the lake there. Please know we are sharing in your sorrow and wishing you all the comfort and love you need to get through this sad time. We wish you God's love and peace. Al and Barb Myczkowiak Saginaw, Michigan
