“ *Carol,*

I just heard that Bob passed away last week. I am so sorry for your loss. I know you both have overcome many challenges and I hope that Bob's last months were comfortable and that you are taking care of yourself. My thoughts are with you. Much love, Denise

“ *Dear Carol, May I send a memory that you might enjoy reading. It was 1949 and attending the wedding of our cousin were Newell, Dennis, Toby and me. Toby and I were 13 years old and though the boys were a few years older and our third cousins, we felt very grown up to have them as our dancing partners. Our condolences to you and the family. God Bless you.*

“ *Dad was at home eating cookies with my mom when he quietly passed at home, which is exactly the way he wanted to go. Dad loved boats, books, sweets, wearing funny hats, and anything relating to MSU Spartans. I know he is able to breath freely again and is driving the boat of his dreams in heaven.*
