“ *Grandpa, I can't believe you are gone. As many times as we have fought and argued. I love you more than someone can ever love someone. I love you to the moon and back non-stop. I am going to miss your hugs and your kisses. I remember when I was little and the good times we had. Like the times in your truck, our rides to Kmart and big lots, bowling, swimming lessons, and also homework lessons. I will always be your little and oldest Granddaughter. See you soon! I love you! Love forever & always Robin Gooding.*
