

Nicholas Anthony Ader

July 3, 1992 - February 7, 2025

Nicholas Ader passed away unexpectedly on February 7, 2025 at the age of 32.

He is survived by his wife (Stacia), mother (Susan), father (Robert), sister (Kaitlyn) and numerous other family and friends.

Originally from Long Island, NY, Nicholas spent much of his life in the Buffalo, NY area before moving to Florida in 2015. While in Buffalo, Nicholas volunteered his time as a Firefighter and EMT with the Clarence Center Fire Department, earning several distinctions for all of his time and efforts.

At the time of his passing Nicholas worked as an Engineering Inspector III with Orange County Utilities. Nicholas spent the last few years as a dedicated member of the flight simulator community VATSIM, as a pilot and air traffic controller within the virtual Jacksonville ARTCC.

Through this hobby Nicholas made numerous friends and dedicated his time to helping others be as successful as he was in the community. This became such a passion for him that Nicholas was in the process of trying to obtain his private pilot's license.

Nicholas will be remembered as a caring, thoughtful, funny, and genuine person. His kind spirit will live on in those who had the pleasure of knowing him.
