“ Hi I didn't know Nick personally, we played Pogo games together for a very long time. He was a nice guy and a good friend. Someone you could talk to when you were feeling down, and he would do his best to cheer you up! Anytime I would pop onto Pogo he would come in the room I was playing in and just see how I was doing he was very sweet. I will miss him he was one of the "good guys" on Pogo. He was too young to have left this Earth so early. My condolences to his family and friends.
