“ I can not image the pain and grief your entire family is going through at this time. The loss of a love one who was so vital to your family and the community will never be truly replaced. The only positive factor in this loss if there is one, is that he will not go through more immense pain and suffering in the days and weeks ahead. Even though that is not what you or any one of us here on earth wanted. He now is heaven with God and his mother and we all here will need to deal with the major wholes in our lives that have been left with. Remember, that at times like these to ask friends close and not so close to help you at this time.

“ Nick was a true gentleman and a wonderful friend. I have so many great memories of our times at University of Florida, going to games after graduation, and of our many fishing trips to our favorite spots around the state. The best part of all of those was just spending time and talking with Nick. You could not help but love him. I feel honored to have been his friend and part of him will always live on with me.

“ Sharon, I hope that in due time you and your family receive God's peace that excels all thought, so that it will guard your hearts and your mental powers by means of Christ Jesus. God is called the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation. Rest assured that he cares for all his creatures and he would never bring us suffering. A soothing scripture is Psalm 34:18 which reads: "Jehovah is near to those that are broken at heart, and those who are crushed in spirit he saves." Thus, while you await the Paradise where no one will be sick and die, may you lean on Jehovah God to cope with your separation from your beloved Nick. -Psalm 37:29.

“ To the Nick Faryna Family; I am one of many Central Florida citizens that was proud to call Nick a true friend, A man that put God, Family and Friends first. A leader, a family man, a strong businessman, a respected citizen and giver of love to others less fortunate. All of the above took place without "fan fare" from Nick or family members. Nick left Umatilla and this Earth on May 1, 2014 for a better place, a place he deserved to live for eternity. We look forward to seeing Nick and other friends in a place called Heaven! Until then our memories of Nick will be most important day by day. Your friend, Glenn Tyre
