“ *I was deeply saddened to learn of Nicole's passing. I got to know Nicole very well when she was in Naples and saw her almost every day. She was a talented artist with a big heart, talking proudly and often of the love she had for her 2 boys. My condolences to Nicole's children and parents. She was very loved by all of us in Naples and we will miss her tremendously.*

“ Steve and Wendy,
We were so very sorry to here about Nicole.
I will always remember her beautiful smile. The last time we talked was at one of the church dinners. It had been years since we had seen one another but you would never have known, because she was always so friendly. Keeping you in our thoughts at this most difficult time.

“ Dear Nicole's Family & Children,
I only knew Nicole for a very short time.....and I sincerely regret our time together was cut short. She was a very kind, patient, loving and creative person. She told me how much she loved her parents and adored her children. You truly were blessed with the presence of an Angel. I still struggle with the fact that she is gone and wish I could have done more to help in her time of earth to help her. I know God has a reason...My condolences to all of you at time....
