“ I was very fortunate to call Wyatt friend. He and I shared a lot time together over the past 48-50 years as we worked together for Western Electric, AT&T and Trans Global Communications.
I know he will be missed, but to the family I say rejoice in the good times you shared and thank God for his life with you. To mind friend, I simply say, we had a good ride now go rest in peace. Our thoughts and prayers are with the
Elmore family.
