“ No one can have too much love in their life! We are forever grateful for the love you gave us Grandpa Nolan! You gave my son some words of wisdom that helped him on his path to success. Words could never express how thankful I will always be. He looked up to you like a true grandson would. Give Granny Rita a hug from us! Rest easy and know we will hold all the memories close to our heart until we meet again! ❤️

“ You fought a good fight. Now Rest In Peace. I will treasure all the memories of the good times we shared. Thank you for all the love and support you gave to me and my family. Hugs from all of us! Until we meet again. Or, as you always said when we ended our conversations...Bye for now! Love you so very much! 💔
