I am praying for all those near & dear to Irene In the comforting name of Jesus. When I first moved here , in 2007, she was always so inviting & full of love for her friends & family. She was part of the helping hands ministry at Bushnell Assembly, now Cross Connection. I know we will all miss her, but will be reunited with each other someday. Love you all!

“ Irene and I go back a long way and I thank God for the precious friends He has put into my life and she was one. We had many laughs together and we could always come away blessed by our visits. I remember a trip she and I took to visit her sister out of state and what a wonderful fun time we had. The conversations we often had always seem to be a lot about our children and Grandchildren and family and how blessed we have been by watching them grow and serve the Lord. Friends are so special but when you have a friend who knows the Lord it becomes the most precious of friendships. I will miss my friend but I know I will see her again. That is our hope in the Lord. In our grief we can hold onto the promise of tomorrow. Love and prayers to all of her precious family and friends. Celebrating with you all in Irene's triumphant victory of her homegoing. Never to be forgotten and always loved.
