“ I was so sorry to hear of your family's loss. I am heartbroken to find her mother, dad, and Norma Jean's obits. I have been looking for her family for years. My mother, Corrinne Baucum was best friends with her mother, Brownie and her Aunt Helen. Norma Jean, Carolyn, and I were good friends. We were from Wheeling and lived on Betty Zane Rd. My husband and I moved to Georgia in '67 and lost contact with everyone. My prayers and blessings are sent to her family.

“ Jeanie was a wonderful friend and coworker at FPES. Her dedication to making a difference in the lives of children was abundant. Her love of people, caring and kind ways, and her sense of humor will be truly missed by those of us fortunate enough to work with her. Jeanie, you will be missed by so many. May you rest peacefully until we meet again. My prayers are with all of the family during this difficult time. Diana Brown

“ Please accept my deepest sympathy on the passing of Jeanie. She was such a wonderful, caring teacher who profoundly impacted my life. She had a special way of molding her students' love of learning. Her fun-loving spirt served her well in relating to her students. I will miss her, but she will certainly never be forgotten.

“ Mrs. Miller was my English teacher at River High School and I have often thought of her over the years. She was an amazing influence on many lives, mine included. Hers was one of the few classes I looked forward to attending. She was never afraid to tell us the truth about anything and she encouraged independent thinking. I'm sorry I never got the chance to tell her how much she meant to me. She will be greatly missed and always remembered.

“ Norma was Mrs. Miller to me while I was a student at River High School in Hannibal, Ohio. She was truly inspirational. She nurtured my creativity and bolstered my confidence on more than one occasion. Her encouragement and passion for her students made every English class a pleasure. She took special care in looking after me during a difficult stage in my life (I'll never forget the time she approached me after having read something that I had written, just to make sure that I was all right). She really cared for all of us and we, in turn, cared deeply for her. For me, she was a saint. I am so very sorry for your loss. She will be missed and remembered with every fondness.

“ I want to give you my most sincere and heart felt sympathies. I truly LOVE Jeanne. She was a wonderful friend, a patient teacher, and a most impressive mentor to me. I have only known her for the last 6 years, but they have been blessed and full of laughter and insight. She is a great loss to not only the schools she so dedicatedly worked at, but to the 1,000's of children she has touched and the 1,000's of teachers she has coached. I will always cherish the knowledge I have gleaned from her and hold my memories of our times together as true treasures. Praying for you and your family. God Bless. “ I met this beautiful person when I was 12 years old. She was my substitute teacher and when she moved on to get a job at the high school I followed there, entering the ninth grade and we became good friends. By the time I graduated we were very close, we had a bond. I was blessed to be a part of her life. She's influenced me in so many ways and always was there for me. I was blessed to be her matron of honor at her wedding and be there for her till she took her very last breath. It was the most precious moment because I know without a doubt she is in heaven. She was a good christian woman. She's touched so many people's lives and i hope i make her proud. She was like another mom to me I love you Jeanie.

“ I cannot imagine the loss you must be feeling. Please accept my sympathy. As for me, I have a huge hole in my heart and there is an empty spot in the world. I am sorry that life, time and work did not allow enough for us to to have that "someday." Know that she is happy in spirit with her beloved family and friends in heaven and that she is here on earth through our memories and all the lives that she has touched. Sue (Sines) Tarver cousin
