“ *Norma Jean Goyer touched our ives in many wonderful ways. I could always tell she enjoyed our visits. My daughter Caylynn Owens remembers learning how to make no bake cookies with Norma and still makes them today. She was always nice, a good listener, a good mother, a good wife, and mother in law. She will be missed greatly, May she and her famiy find comfort knowing that she her family will be in our hearts forever and in our prayers. Love, Tyler Owens, Caylynn Owens, and Colleen Khokhar.*

“ It has been many many years since we lived next door to you on Paddy Hill. In spite of all the time that has passed, I often recall the occasional support Norma provided Gail and me when things were not going so well at our house. Best wishes during this difficult time. “ My thoughts and prayers go to you all. What a great picture. I drive by the house and think of all of you so often. So many fond memories. She was a very special person who you could not help but love. I know I did. I used to enjoy seeing her come across the street for a chit chat. I know how hard this is for you all, but it is a blessing. I can see her with alot of the neighborhood looking down on all of us. She will be missed. Love to you all!!
