“ *We will miss you Norma Jean. You were the true matriarch of the family. Champagne toasts will never be the same without you at the family functions. Someday we will all meet again. Love: The Costello's from VA*

“ *It is with great sadness that we learned of Norma Jean's passing. Our heartfelt condolences go to her many family members and friends. She possessed both a physical and inner beauty that brightened up the grayest of days. The energy that she always displayed was contagious. As Phil told me, she was probably celebrating St. Patrick's Day with other friends who had already passed on. She will be missed by all.*

“ *It truly was with great sadness that we learned of the passing of a dear friend and a beautiful lady. We remember fondly of the wonderful Black Tie dinners, dances and parties which we shared. Norma Jean was always the life of the party as she danced the night away with Ed. Her smile and the light in her eyes will forever remain with us and thank you for being a part of our lives. Kathy and Bob*
