“ *Sheree, Your mother was a very wonderful person. I first met her at Whitney Baptist Church and then again at Calvary Church. She loved the Lord and loved doing things for others. Take comfort in knowing she is in heaven and that she is no longer in pain or troubled in any way. You have shown great dedication by taking her into your home and caring for her as she became unable to care for herself. She was blessed to have such a loving daughter. You and your family are in my prayers.*
