“ *Sorry to hear about her death. She was blessed to have a wonderful family. Though I've know her for about 50 years, out of respect, Paul and I never called her by her first name. She was a kind lady and caring to us. My thoughts to her family of a well lived life.*

“ I am so sorry for the passing of Ola, my condolences to her Family. I too know well the pain of losing a loved one. What helped me is God's promise at Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be done away with and we will see our loved ones again. I hope this gives you as much hope and comfort as it does me.
