“ Life is very special and it would not be so precious without ones passing. When one passes away and it is always a reminder to value the time that we have with eachother each and every day. It is also a time to reflect on the great memories that shaped our lives. My condolences to the entire Leschak family.

“ Olga was a delightful woman who loved her husband, her family, and her church. She had a generous spirit, a warm heart, and a well nourished faith. Many experienced her kindness and thoughtfulness, and could even appreciate her outspokenness. I was blessed to count her (and Augie) a true friend, glad to have been blessed by her in my life, and know that God has welcomed home a cherished child.

“ On behalf of Olga's family in Manitoba, Canada we want to say you are in our thoughts and prayers. May you find comfort as you remember all the love your Mother, grandmother, sister and friend had for those around her. We will always remember her for that. Her kindness and generosity will never be forgotten. May the Lord cover you and keep you.
