“ Sweet little Oliver, I was so happy to meet you and see how much you had grown! Watch over Mommy & Daddy. I think of you every day and know that one day I will get to see you again to give you hugs and kisses. You were born on Anthony's birthday and I promise to put an extra candle on his cake for you each year. Thank you for bringing such love and joy into your Mommy and Daddy's heart. Love you Little O.
