“ Kathy & all, Our thoughts and prayers are with you. During dad's illness, Otmer phoned him several times and dad's eye's always lit up when Otmer called....they were "old" friends and it meant a great deal to dad to hear from Otmer. We can be with you physically, but we are with you in spirit. Our sympathies to you and all the family.

“ My family's love, hugs, and condolences to all of the Wheatley clan. I have many fond memories of Uncle Optner (and Aunt Pink!!) over the years, especially from visiting them in Lake Pan! Who can forget raising the hog in his yard when the town said no to keeping chickens in the backyard? Yep, that was my Uncle O!!! We love you guys!
