“ *It was with great sadness I learned of the passing of Otto when I saw the announcement in St. Thomas bulletin of the sanctuary candle in his memory.*

*The announcement immediately brought to mind the many times we spoke or met up on the street while shoveling snow, raking leaves, corralling kids, talking politics, and much more. Otto was first and foremost a gentleman and obviously a good father and living husband. Forever your home on oakridge Road will always be "The Weber's House" and I won't be able to drive or walk past it without thinking of him and his beautiful family. He is now resting at peace in the arms of God. May God Bless you Liz and Bill, Bobby, Mark and James and all your extended family.*

*With all our love,  
Jim and Madeline Wollner*

“ *My deepest sympathies for your loss. Otto was a good man that we worked with at Roche. I remember meeting him many times at the Brookdale Shoprite where he would tell us of his camping trips and update us on his family. Rest in Peace Otto.*
