“ To my baby sister, Pam, I am glad you are not suffering any longer and no doubt you are in a peaceful place filled with happiness and love. There is now a void in our family; you will be forever missed. I will always remember your laugh! I love you very much... Carol, (sister)

“ Pam, It was so sad to hear you had passed away. I think of you often and all the fun times we had growing-up. I will always remember how you saved my neck that first day we met. You were a great gal and I will cherish the memories of our childhood. To Linda, Carol, & Bobby - you are all in my thoughts and prayers.Joy

“ I'm having a very hard time believing my best friend is gone. I have been looking for her as I had moved to TN and we lost touch. I wished someone would email me and tell me what happened. I lost my husband July 2013 to cancer right after we came back to FL. This is a double shock for me. Whatever happened, I am glad she is no longer in pain and I know she is with the angels now. I love you and miss you so much Pam.
