“ I am so shocked and saddened by this. Patrice and I were friends for many, many years meeting when we worked together at Steak n Shake. I loved her very much and will miss her.

“ I am so sorry and very sad to learn of Trice's passing. We met back in 1985 while we both worked in payroll at Steak n Shake and I was lucky enough to have her as a friend all of these years. Although all of it was by phone since her move to Florida, I know she was very happy with her life. She will always hold a special place in my heart. I'll miss you girlfriend!

“ Dear Mr. Kilgore, Clyde, Marion and family members, It was with sadness that Linda and I read of the passing of Patrice in today's Muncie newspaper. Please accept our deepest sympathies. We had not seen her since she was a child but remember her well. May the Lord bless and keep you. Phil and Linda DeHaven

“ Dear Mr. Shelton & Family: The sad news of Patrice's death has just reached us through the courtesy of Phil DeHaven. (Weren't we blessed to have such fabulous educators at Westside Elementary?!) It's been a long time since 1965, but I felt compelled to drop you a note. I understand the loss you are experiencing and know words ring a bit hollow during grief. Please take comfort in knowing you are in the hearts, thoughts and prayers of so many. My brother and only sibling, Leese Yarbrough, passed away several years ago. To lose family members in the midst of their lifetimes is so difficult. May fond memories soon replace tears and provide solace to your family. I wish you godspeed in your healing. With sympathy, Betsy Yarbrough Donley PS Thanks ever so much for insisting we master "outlines" in 5th grade. I can't tell you how often in college and my professional negotiating career it has served me. We complained bitterly in 5th grade, only to celebrate your insistence and discipline for decades thereafter!
