“ I would like to offer my condolences to Patricia husband, children and grandchildren. I met Patricia when i was recruited to the Juvenile Services Program, Inc AmeriCorp*VISTA Project in 1994. Patricia made all the members of the program feel welcome. She was our Welcome Wagon. Under her leadership we accomplished a lot and we became friends. I was saddened by her passing and smile fondly at all the times we shared. Thank You Patricia for your dedication to Pinellas Park and St Petersburg, Florida. Your friend Janet Lawrence you will be missed.
