“ Aunt Pat, I'm so sad to see you go. My 1st memories of you & Uncle Tony were of parties at your house that brought the whole family together. I never realized then how lucky I was to have such a big family, to have them all in once place at the same time, & most of all, to have someone like you to bring us all together. I remember our visit to your condo in Ft. Lauderdale & how you were so proud of the life you & Uncle Tony had made. You opened your home to us as if it was our own & made our vacation a memorable one. I have to say, my favorite & most lasting memories of you was when I came to visit you in The Villages. I hadn't seen you in many years & you both welcomed me w/ love. Not only that, you & Uncle Tony made me look forward to growing old with someone I loved. A couple in love for so many years, & it was, & still is, blatantly evident. Even though I didn't see you often, I'll miss you a lot. Have fun with Grandma and my Dad...Love you.

“ Tony & Family: We only met you approximately 5 years ago when I joined the Nomads. You and Pat were such a lively, happy and fun loving couple who freely gave much to others and always displayed your loving devotion to each other. Surely, Pat's struggles over the past few years have been very trying and we're sure you are full of emotion at this time. You had 60 years together and we hope that you can focus on those happy loving family years and hold onto them to support you now and in the future as you reflect on Pat's life. May God bless you and be your strength.

“ Dear Tony and Family, please accept my most heartfelt condolences at the passing of Pat. She was such a lady, so kind and sweet. She will dearly be missed. God needed another angel to be by his side and we know He always picks the best. My prayers are with you. May you find some solace in knowing that Pat is with God. "There is a heavenly garden in which God takes great pleasure because He's placed within it the loved ones that we treasure. He walks among the blossoms giving them eternal rest, and I know that it must please Him because He chose (the) very best". May God Bless and keep you all. Delores

“ Pat was such a dear friend to us both. Marianne loved to play golf with Pat-she was a great putter-and of course afterward going out for lunch and a bottle of beer. We've enjoyed our time with Pat and Tony especially spending many nights sharing dinner in the last few years. Roger continues to play cards with Tony and loves the friendship they share. We'll miss Pat - especially her loving ways, her laughter and her great sense of humor. Pat was obviously a wonderful mother as she is adored by her children. Their dedication to Pat thru her illness is an inspiration to us all.
