“ *I am so sorry for the passing of Patricia, my condolences to her Family and friends. I too have lost a love one in death and what I have found that gave me comfort during my tough time is God's promise at Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be done away with forever and we will see our love ones again. I hope this helps you as much as it help me during this hard time.*
