“ I am sorry for the loss of your mother. Losing a loved one in death is such a difficult thing to experience. Please be comforted by the words of Jesus at John 5:28, 29. He tells us that all those in the memorial tombs will hear his voice and come out. What a loving provision put in place by the God of all comfort so we can have the assured hope of seeing our dead loved ones again one day. Meanwhile as I pray for that day to come I ask God to bless your family and give each of you the strength to endure this most trying time.

“ Howie, Janice and Joanne I am sorry for your loss. I am not going to say she is in a better place because you already know that. Howie and Joanne, Your Mom was an awesome person. She raised great kids so her awesomeness is revealing. I remember meeting her at Graduation and How proud she was of you Howie. That is something I will never forget. The light in her eyes was beautiful. If you need anything please let me know. My love to all of the family in your time of need. Nickki Furge-Lyons
