“ *Mrs. Cheeseman's class was a favorite of mine, and I loved being in rockhounds. She patiently explained rock polishing and many other fun things I enjoyed so much. When I think of middle school, I think of her class. May her family be comforted.*

“ *I send you my deepest sympathy to the family of Pat. We were both teachers in Brookings, member of Eastern Star, and she was a dear sister of mine in P.E.O. I can still hear her voice. Pat had a deep beautiful voice that was so pleasant. Enjoy the memories and God bless*

“ *Mrs. Cheeseman was my homeroom teacher for all of Middle School. She had such great passion as a teacher and I remember how much fun she always let us have together as a class for homeroom parties. I remember her great stories of exotic travels looking for rocks. (At least they seemed exotic to a farm kid like me.) She was a terrific teacher. Deepest sympathies to her family and friends.*
