“ So sorry to lose our good neighbor Pat. She was one of the most positive lady we have ever known. Through the loss of her husband and her health issues she remained upbeat and always had that beautiful smile of hers. We have only known her two years but will remain in our memory always. Our sympathy to her entire family.

“ Please accept my condolences on your loss of Pat. I hope you can find comfort in your memories of her and from others who remember her fondly. Psalms 46:1 says; "God is our refuge and strength, a help that is readily found in times of distress." May these words help your heart during this difficult time of grief.

“ When someone we love falls asleep in death, the memories we have of them become our treasure. May those cherished memories of a life well lived and God's promise at John 5:28, 29 give you peace, strength, and comfort you at this difficult time.

“ My condolences go out to the family and friends of Patricia Compeleo. Losing a loved one is never easy. Comfort and hope can be found in God's Word the Bible at Acts 24:15 where it says "there is going to be a resurrection." I pray this hope will help to comfort you as you comfort one another with memories of joyful times together. (Revelation 21:4) May these memories and God's word help you to heal.
