“ *Uncle Walter, girls, their husbands and the precious grandchildren
When I think of Aunt Patsy there are so many memories. She was
only seven when I was born. Going down to the corner for a ice
cream cone, her telling me don't forget to ask them to sink it so you
won't lose your ice cream. Playing in the frog pond, waiting to hear
the live music in downtown Boston. All the summers in Ohio. Her
laughing at all our antics as children and as we grew up before her
eyes. She loved everyone and enjoyed having fun with us all. Can
you just imagine all the hands that reached out to her when she got
to heaven!*

*Aunt Patsy you are my sunshine. One day we will sing and dance
together like we all did from my very earliest memories.*

*Love and Bless,
Your niece Linda*

“ *Dolores and I moved to the Villages from Hampton. We joined the
NH Club,
and met Walt and Pat, only to find out that we were both involved at
Our Lady of the Miraculous Church(OLMM)in Hampton NH. I was
the Grand Knight of the local Council at the time and they were
involved in other aspects of the Church. We did not formally meet
back then, even though we both knew several church members. WE
became friends and did lots of volunteer work for the NH Club in the
Villages together,(Small World).*
