“ *My Christmas card came back this year, I am sorry to find out Pattie passed away last February. Pattie and my mother Mary Lois Barnes Pudvah were best friends from high school. They stayed best friends until my mom passed away in 2015. Pattie and husband Bud and Mary Lois and husband Harold visited each other a few times each year in VT and FL. They even came to my daughters horse show one time. My parents were offered a bed in Wildwood on their way South and North. I even stayed a few times when I travelled with them. She was so good about sending cards and letters to my mom. I've gone through so many photo albums with pictures from their trips and adventures. I sent Pattie some I put together from school days on up. I think of Pattie often and always when I think of my mom. Rest In Peace, Pattie.  
With love, Jackie Snider*

“ *TO MY OTHER MOTHER  
You are the other mother I received the day I married your son, and I want to thank you mom, for the loving things you've done. You've given me a gracious man with whom I share my life. You are his loving mother, and I his lucky wife.  
Dave and I miss you so much  
Love you mom,

“ Thank you family for allowing us to be blessed in having your mom as our neighbor and must loved friend. We remember all the times she joined us at the fire, learning how to play with our grandsons, for all the holiday dinners we shared, all our talks,laughter, tears,& mostly the love & understanding we shared over the years. My heart is broken because I miss her everyday, but I know that our Savior & his Angels where with her everyday. I rejoice in this knowledge that our Lord held her close & raised her up to our Farther's Home in Heaven!!! Remember Dave that you were Always there & that you will Always be Pat's baby boy!! So much to you all . Betty & Steve Bradley
