

Patricia Derr

November 6, 1947 - November 30, 2025

Patricia Derr, born November 6, 1947, of Lake Panasoffkee, FL, passed away peacefully on November 30, 2025.

Pat lived a life filled with curiosity, laughter, and a beautiful sense of adventure. She believed every day held something worth discovering, whether she was traveling to new places or finding joy in the simple moments at home. Known for her quick wit and warm humor, she had a gift for making others smile and for turning ordinary moments into cherished memories.

Pat was a beloved wife, sister, mother, grandmother, and great-grandmother. Nothing brought her more happiness than being surrounded by her grandchildren and great-grandchildren — each of them adored her energy, her stories, and the way she made everyone feel special. She enjoyed reading, loved children deeply, and embraced every role life gave her with grace and love.

She was preceded in death by her siblings Nancy and Stanley. She is survived by her husband, Mark Derr, 5 sisters, 2 brothers, 5 children, 11 grandchildren, and many great-grandchildren, all of whom will carry forward her spirit of adventure, her humor, and the love she shared so generously. Condolences may be sent to the family at <https://www.beyersfuneralhome.com/> Arrangements have been entrusted to Beyers Funeral Home- Purcell Chapel, Bushnell, Florida.

“ Pat had a great love for her family. Being the oldest of 10 children she was in charge. She was there whenever we needed her, for happy times, bad times and any crisis. She told me she had tried everything she wanted to at least once, sometimes things work out, sometimes they aren't as much fun as they looked, but you don't know if you don't try! Pat shared a lot of wisdom with people she cared about. She didn't suffer fools lightly. You knew where you stood with her.
I'm not sure how I will make it without you, but I know you were sick and tired. Give Heaven some hell!!

ML

Aunt Pat always was a strong woman as all of my Aunts are. Sometimes I would think about things and think what would Aunt Pat say. All I know is that my mom is probably happy to have some company, and happy to have her help with Stanley and my dad. You will be missed by all more than you know, but I think you taught us all something. We will see you again someday!!
