“ Pat was with me only 2 years, but she was part of our family. She could be stubborn and could be sweet, but she was always fun. We enjoyed her comments, discussion, smart remarks and facial expression. She was so easy to love. Thanks for making us laugh with you and for being yourself. You body me be gone, but your spirit and our memories of you will stay with us. Uschi and David

“ Dear Karen and Scott, Mike & family: It is always a shock and sad when a person loses their Mom. It is also a blessing in so many cases when it does happen because you know she is with the Lord and is pain and sorrow free. The service happened so fast we did not know it was over before it happened We will continue to pray for you all. Blessing to you all.
