“ *Uncle Jimmy and family, So sorry for your loss. I know how much Mom and Paul would have loved to be there for the service, but circumstances would not permit. They loved aunt Patty and enjoyed all the time that they have spent with your family. Know that we are thinking of all of you at this time and will be keeping you in our thoughts and prayers. Love, Sandy*

“ Jimmy and Family, We were so saddened to hear of Patty's passing. Our prayers are with you all of you at this time. I hope you are strengthened by the thought that she is in the Lord's arms now and no longer in pain. Jimmy we were so blessed to have met you and Patty at the Amvets Campground. We all missed you this past summer but you two were never far from our thoughts as we recalled all the good times we had; especially making Patty's famous doughnuts. I hope if you are ever in Massena you will take a trip out to the campground to see everyone. Take care and God Bless.
