“ I was sorry to hear about Great Aunt Patsy's passing. Though I didn't see her often, she was a very funny and creative lady. I remember her drawing a cartoon about a snake finding its way into her house, and going out in a see-through rain suit to guide the firemen in to get it. Also, when my grandma (her sister Kathleen) passed away, she told us about some of the sweet things my grandma did to take care of her siblings- that meant a lot. I'm sure everyone who knew Patsy would say how great she was- she will be missed.
