“ We we sad to hear about the loss of your Mother. We had the priviledge of meeting her when she first moved to the villages. We would visit her on our many trips when we came to Florida. We always enjoyed visiting with her. She will be missed

“ My condolences in the loss of your mother. As much as I'd like to have been there to pay my respects for a mother-in-law whom I love and care about; my thoughts and prayers are with her. May she rest in peace and safe in the arms of God. I'm so glad that I had a chance to share with her Psalms 116. Little did I know that verse 15: "Precious in the sight of the Lord is the death of his saints." brought comfort to me. She's much better off than we are....she's lived a full life and enjoyed the fruits of her labor.
