“ Creig, Jeff, Kerry, Don, Joan, and family,
We were heartbroken to hear the news of 'Tricia (Pat)'s passing. I grew up with Pat living across the road from me, and she always looked after us "little kids". I will always remember her smiling face, and hardly remember her without a smile on it. She was one of the most gracious, gentle people I have ever met. My life was better for having known her. May you find peace in the days ahead knowing she is resting with her Lord.
With deepest condolences, Anne

“ Creig and family, Our hearts are broken with the loss of Pat. We always enjoyed our visits either at your house or at someplace for a good seafood lunch. She was such a big Gator fan and could tell them what play to use next time. She loved you and the children and grand and great grand children with a passion. Our grief is lessened in knowing that we will someday see her again.
Our love to you all.

“ There are no appropriate words to describe how much I really miss my Aunt Pat, she was a huge blessing in my life, we laughed ALOT and solved all the worlds problems when we were together. Until we meet again.....Heartbroken in Louisiana. Much love to my family.
