“ *Patrick was a man of great kindness and steadfast love. His family was a gift from God.  
Thirty two years ago, when my son Patrick was 3 yrs old, Uncle Patrick came with us to Disneyland.  
By the end of that day, we knew he would be a wonderful father. He had tremendous patience with a 3 yr old that wanted to go on the Dumbo ride over and over again. 😊  
I will always remember his faith in God, his integrity and his compassion for others.  
I pray comfort and peace over Patrick's' entire family.*

“ We were blessed by Patrick's evident love for his/our family and his love for the Lord. Patrick loved the app Light Source. I am thankful he shared this great wonderful Christian resource with me. I have enjoyed listening to many great preachers and women's conferences.  
We will miss you, Patrick. You were a great tower of strength for our Florida family.

“ Olga I can't begin to express the sorrow I feel over the loss of your beloved Patrick. From what you have shared, and what has been shared here, he was a genuinely kind and generous soul. I know how much your heart is broken over losing your child; for no matter how old a child is, a mother's love is enduring. You taught him values, kindness, selflessness, humor, and gave him the tools to grow into an amazing man, husband, and father that everyone could be proud of. I know as the matriarch, you try hard to be stoic and composed, but I also know your heart, and I know how broken you are feeling. Please know how much you are loved and that we are here for you. Leslie, Taylor, and Sean, I pray that God gives you the strength to get through these difficult days, and that you will always feel Patrick's love for you all. Love transcends all things; even death. All my love, Chicki.
