Obituary of Patrick Stallard

Patrick Douglas Stallard, 63, of Leesburg, FL entered into his eternal home of Heaven on December 13, 2013. He was born on January 31st to the late Douglas Stallard and Virginia Biggs. Patrick was raised in Valparaiso, Indiana and called that "home" along with Tennessee and Florida. He married his sweetheart, the one and only love of his life, Elaine McGinley, whom passed away in 1989.

Patrick had a way with others. He always loved striking up conversation with everyone he came across. He was a man of integrity and pride and always wore a smile on his face. These attributes gave him success all throughout his life as a salesman, but more than that it made him a friend to many. He took great pleasure in lending words of wisdom to his daughters and loved ones. What his girls admire most is that he truly understood life's meaning was centered on love. Because of this, he lived with such a devotion to the ones he cherished. His heart was filled with a tenderness and throughout all of the trials he faced during his life, he always chose to go back to thinking on what was true, positive and lovely. With his playful spirit, he enjoyed bringing fun and laughter wherever he went. Patrick was light hearted, yet a man that was deeply moved with emotion.

His favorite place to be was at the beach in the Florida sunshine. He also loved sports and would never miss cheering on his favorite basketball team, the Chicago Bulls. But most of all, he always could be found listening to the music that brought back some of his greatest memories and filled him with such an incredible joy. He loved to share his favorite songs with anyone who'd listen and why the songs meant so much. His girls, ABC, will dearly miss listening along with him. His family and friends are rejoicing that he is with Jesus being made anew and getting to see his beautiful bride after so many years. We look forward to the day when we will all be together again.

Patrick is survived by his three daughters, Brittani Altman, 34 (Tim) of Tavares, FL; Ashley Teeter, 32, (Austin) of Sanford, FL; Carina Deshotels, 29, (Beau) of Land O Lakes, FL. His loving grandchildren, Ashlin and Tristan Teeter, Landon and McKenzie Deshotels, and Finley and Elise Altman. His brothers are Maurice Stallard of Orlando, FL and Christopher Biggs of Kouts, IN.

A time of gathering will be held at Beyers Funeral Home at 9:30 to 11am on Friday, December 20th 2013. The funeral service will begin immediately after at 11 am.

“ I thank Pat and Elaine, as their love has help create my family. Without them and their love I would not know my sweet daughter inlaw Ashley, who has brought into this world my beautiful grandchildren. Love to Britini, Ashley & Carina during this time.

“ What a blessing that I had the chance to know this amazing sweet man who was a father to the three sisters that I have come to love so much! When I was informed about what happened of course I was sad, but minutes later I literally gasped thinking about how happy im sure he is now with his mother and wife! You will be missed Grandad.

“ I've known and loved Pat since he was 13 years old. He was a beautiful boy and grew into a fine man. He chose a wonderful woman in Elaine and they had three precious girls. When our Elaine died, much too young, Pat held tight to his girls and protected and nurtured them as they grew into lovely women. Pat's life was filled with love. After the girls were grown, the natural care giver in him showed through again when he spent a year caring for my ailing mother and then went to care for his own mother when she needed him. These two instances in particular made me finally see that God had sent us an angel when he sent us Pat. We want to resist giving him back. I've spent many happy hours enjoying the pleasure of Pat's company and I expect to spend many lonely hours missing him. But I thank God for loaning him to us for as long as He did. And I suspect that our angel will continue looking out for us.
