“ Uncle Paul, you have always been such an influence in my life. Your words of wisdom will never be forgotten because I still repeat them to our kids and grandkids. Especially the ones I wish I had followed. The memories of growing up with you, Aunt Evelyn, and Richard to the many good family times and fishing trips with you and Aunt Maggie. It was difficult losing touch with you the last couple years but we now know you are all together again. We miss you, Bill and Donna Paulin.
