“ *Please accept our deepest sympathy for your loss. Uncle Paul was our mother (Zeffie)'s brother. Although Nancy has not seen Uncle Paul in several years, I Joann, was able to visit him a couple of weeks ago when I was in Florida. Unfortunately, we are unable to attend the funeral on Monday, but please do know that Nancy and I both loved Uncle Paul and appreciate your taking care of his arrangements. Sincerely, JoAnn Ward Nancy Chavez Sevierville, Tennessee*

“ *My life was filled with love and happiness for the 15 years you were my Daddy. You might not have been my biological father, but you were and always be my Daddy. I will always cherish the love and wisdom you gave me.*
