“ We count ourselves as very fortunate to have had Paul and Nancy as our neighbors on Ariel Place as well as our first and very dear Villager friends. We loved our card games and dinners out. And most especially we loved Paul's baking expertise. We have many great dessert recipes from him that are so special to us. Even though we moved away three years ago, we kept in touch and visited when we could.

Paul was a very special person and we are grateful that God chose to take him so peacefully, next to his beloved Nancy. We will always miss him.
