Obituary of Paul Dorsey Frazier

Paul Dorsey "P. D." Frazier, 84, of Leesburg, Florida, died Friday, August 1, 2014. Born in Kenova, West Virginia, P. D. moved to Leesburg from Ceredo, West Virginia, in 1955. He retired from CSX Railroad as an engineer after 38 years. He was a member of First Baptist Church, Leesburg.

He is survived by his wife of 65 years, Lou Ellen Frazier; sons David Michael (Lynne) Frazier of Leesburg and John Paul (Deborah) Frazier of Houston, TX; grandchildren Dr. William (Donna) Frazier, Ellen Frazier (Brian) Miller, John Robert Frazier, and Capt. Michael (Jennifer) Austin; six great-grandchildren; three nieces and four nephews.

P. D. was an avid outdoorsman whose interests included hunting, fishing, Gator football, and golf. Damn, how the man loved golf. He was a master storyteller and practical joker and an amateur dermatologist. He loved his family with all his heart, especially his grandchildren and great-grandchildren. He imbued them with the wisdom he had gained over his 84 years in areas such as how to mix a Papaw P. D. drink, how to empty an RV holding tank, and chants to invoke when home repair projects do not go well. He will be

sorely missed by all of us. We love you, Honey, Dad, Papaw!

A memorial service will be held Saturday, August 16th, at the Chapel of First Baptist Church, Leesburg at 10:00 a.m. In lieu of flowers, donations may be made to The First Baptist Church of Leesburg Christian Care Center.

“ Our thoughts and prayers are with you during this difficult time. I've known P.D. And LouElla since I was a little girl. They live across from what was my grandmother Carolyn's home, then my home, and now my sister Caroline's home. I remember how he would often whistle to catch my attention if I was outside and I didn't see him. He was a wonderful person will truly be missed!! May your family find peace and comfort in the days ahead.
