

Paul F. Hoerrner

April 25, 1944 - May 25, 2025

Paul F. Hoerrner passed away peacefully at The Villages, Florida on Sunday, May 25, 2025. He was born on April 25, 1944 in Glendale, NY to proud parents Pauline (Schmidt) and Frederick Hoerrner.

Above all, Paul's greatest joy was his family. Beloved husband of over 60 years to Jean (Infranca). Loving father to Jeanine Hoerrner (deceased), Suzanne Friend, and Paul F. Hoerrner, Jr. He was an adored grandfather to Jake, Samantha, Ava, and Felix and a devoted brother to August J. Hoerrner and Carol Ficarrotta (deceased).

Paul had a long and successful Wall Street career. He was also proud of his forty-nine years of sobriety. While he had many diverse interests, his lifelong passion was for the game of golf. He was a longtime member of Nassau Country Club on Long Island, NY, and enjoyed the friendships and camaraderie he made at golf during his fifteen years as a resident of The Villages.

His family will receive relatives and friends at Beyer's Funeral Home, 1123 West Main Street, Leesburg, FL on Thursday, June 5th from 1:00 PM to 2:00 PM with a memorial service immediately following at 2:00 PM. In lieu of flowers, the family invites donations to be made in Paul's memory to a charity of choice.

GL

“ Paul ran a golf group in The Villages called the "Fun Seekers" and it did just that!

We all appreciated his efforts and we'll keep him in our memories for a long time.

We still enjoy Paul's "BarraBooom" every once in a while (when someone makes a birdie)... Guy L.

“ I played golf with Paul for at least 14 years here in The Villages. In fact, I was the one who invited Paul to be a "permanent" member of our foursome. As time went by our group grew to over 24 members, and Paul became the coordinator. He named this group "The Funseekers", and it still exists today!

He was my friend and I will miss him...David Kimbell
