Obituary of Paul Mazak

Paul Mayland Mazak, II, 44, of Bushnell, FL, went home to be with the Lord on October 26, 2009 in Texas. Paul was born August 31, 1965 in Orlando, Florida to Paul and Kay Mazak. Soon after graduating Winter Park High School, he married Reba Jean Yarborough of Geneva. All who knew Paul recognized he thrived on hard work and challenges, allowing him to acquire multiple properties over the years. Paul and Reba worked side-by-side to raise their girls and create numerous successful business endeavors. Their love for travel and adventure carried them throughout the states and all over the world. They truly were a great team. Paul's daughters were the joy of his life and he delighted in their participation with his passion of hunting, fishing and raising cattle. Paul and Reba believed in strong family ties and opened their home to many large gatherings with family and friends.

Paul is survived by his loving wife, Reba Yarborough Mazak; daughters, Rebecca Pearl and Audra Lea; parents, Kay and Paul Mazak; sister, Lisa Hoover (Kevin); brother, Steve Mazak; niece, Kaycee Pope; maternal grandmother Evalena Outlaw Burnett and numerous aunts, uncles and cousins.

“ *Paul was always kind to me and it was important to him that people knew he had the best interest of Sumter County at heart. His support of agriculture and the youth of Sumter is commendable. His dedication to family admirable. I really wish I could sooth the pain of his family at this time. May God give you peace.*

“ We cannot even begin to know the depth of the sadness that you are going through right now, nor can words express, adequately, the things that we would like to say to you right now. Just know that you and your family are in our thoughts and prayers. We ask God to give all of you the strength that you will need to get through these difficult days ahead and the continued awfulness of the loss of a beloved husband, father and friend to many. Our deepest condolences on your loss and may God bless and keep you. Connie and Frances Foster

“ Mrs Mazak, Rebecca and Audra, Words can not tell you how sorry we are for your loss at this time. Mr Paul always had a warm welcome everytime we saw him at the fair. We could tell how much he cared for his "3" girls. And it showed how much you loved him. Know that right now it may be hard but God will not give you anything he does not feel you can't handle. May God be your strength and your rock to lean on during this time. Also know you have a multitude of family and friends that care about you very much.

Please accept our deepest condolences, and if thier is anything that we can do to help you in your time of need or in the future, please don't heisitaste to call. Joe Miller & Bob Salas

“ Dear Reaba and family My name is Chancey and I am so sorry for your loss, You guys sound like such a strong, close knit family I know you must be devastated. As an avid bible student I volunteer my time to try to impart some encouraging thought from the bible with different ones. We live in a time where death has become so common and yet still very painful. What I find much comfort from is the scripture in Jonh5:28,29 where Jesus spoke of a ressurection in which "all those in the memorial tombs will hear his voice and come out". You and your family have the wonderful prospect of seeing Paul again. If you would like to know more about bible promises please contact me at my email listed. Sincerely Chancey Bennett

“ We just wanted Paul's family to know that those of us who worked with Paul in Texas thought he was a wonderful man. I had the pleasure of working with him when he bought the property in Uvalde and met one of the girls. You could tell she (and I'm sure her sister) was the apple of his eye. I know he was a man with his priorities straight...he loved his family so very much. We are so sorry for your loss. Rhonda Jolley
