Obituary of Paul Nadeau

Paul Nadeau, 66, died Tuesday, January 29th, 2013, at Shands Hospital in Gainesville, Florida, surrounded by his family and the nurses and doctors who cared for him so skillfully and lovingly for over a year.

Paul was born in Lewiston, Maine on April 16, 1946. He retired for the first time at 48 but when he moved to Florida he decided to return to teaching and coaching at Ascension Catholic Church. He enjoyed playing pickle ball, water volleyball, softball, and golf. He also loved to play pitch with the Wednesday night men's group who were all from New England. He and his wife, Mary, also enjoyed dancing in the town squares.

He was a lifelong sports enthusiast and participant. He excelled at anything he tried. He played on several state high school championship teams in baseball, football, and hockey. He was inducted into the Lewiston-Auburn Athletic Hall of Fame in football. On March 22, 1997, his prowess on the soccer field, baseball field, and basketball court, earned his entrance into the Farmington State Athletic Hall of Fame.

Throughout his 38 years of teaching and coaching he was admired greatly for the great stories he would tell his students and athletes. He was loved by everyone for his sincerity, friendliness, and sense of humor. Paul's coaching and officiating careers spanned 35 years. He would proudly say he could coach anyone and indeed he did. Many of his student/athletes still stay in contact with him today. His coaching duties took him in a variety of directions including football, soccer (boys and girls), baseball, softball, basketball, and hockey. He received the Maine State Coach of the Year award 3 times. One of his crowning achievements was founding the Lewiston/Auburn Youth Soccer Program which is still thriving today. He was elected to Who's Who in Education 2 years in a row.

When he turned 50, he decided to start competing again in the National Senior Olympics in racquetball and softball. His team earned a bronze medal in Louisiana. He also coached a softball team and basketball team in Maine and took them to the National Senior Games in Orlando, Florida.

Paul's rich full life included friends and family he deeply loved and cherished including his beloved wife, Mary Paoletti Nadeau from East Millinocket, Maine, his adoring daughters Angela and Anna, his namesake grandson, Paul Richard, aka li'l p, and his loving 4 year old "bebe", Andrew John. He is also survived by his sister Venise Treadwell of Levant, Maine, and her four children.

A memorial mass will be celebrated at 8:30 am, Thursday, February 7th at St. Timothy's Roman Catholic Church.

In lieu of flowers, please send donations to Ascension Catholic School, memo line: Paul Nadeau Memorial Scholarship Fund, 2950 North Harbor City Blvd., Melbourne, FL 32935.

Arrangements are made by Beyers Funeral Home and Crematory in Lady Lake, FL.

“ Dear Mary, Angela & Anna, We have lost touch over the years, Mary, but I wanted to reach out to you regarding your Husband (Dad, Pepere) and tell you how very sorry I am for your loss. I'm a widow as well, and that word is hard to say at our age. I'm certain you feel a great sadness with the loss of this wonderful person at such a young age. I wanted to share another side of Paul, which will not surprise any of you who knew him. I hope my little story will bring some comfort to you. I first met Paul when we were both Freshmen at the University of Maine at Farmington (Farmington State Teacher's College). We both were French Catholics, and that is what gave us our connection from the start. Since I went to Catholic schools from Kdg through 8th grade, I had only 4 years in public high school. My entry into college was made exciting and joyful thanks to the many hilarious antics Paul displayed while our gang hung out on the front porch of Mallett Hall. I remember nights when he'd leave us in convulsive laughter! He was especially gifted in showing his "French Hockey Commentator" talent. That was the best! It showed his love of the sport.....all sports in fact. Since my little hometown of Chisholm didn't have hockey, I didn't know much about the sport, but began learning thanks to his comedic stories. Yes, he told stories in those days as well. Who needed TV, radio, or anything else to entertain us.... we had front row seats for the Paul Nadeau Show! We all later went on to teach, and I'm sure those who were in Paul's classroom and sports team were very fortunate indeed. My heart goes out to all of you, and I hope your many memories of this fine man will sustain you in these difficult and saddest of times. God bless you! “ Paul was a wonderful classmate at Lewiston High School. I've also informed my ex-husband's family... The John Jalbert family of Lewiston, Maine. Paul was Bert, John, and Jeannine Jalbert's cousin. We all loved Paul for his easy going personality. My thoughts are with you, his loving family.

“ To Mary and the entire Nadeau family, The entire Clifford family sends its heartfelt condolences. My brothers and I shared a lot of fun stories of Coach Nadeau after we heard the sad news last week. He coached three or four of us in my immediate family. As I told them, he was my hockey savior, showing a lot of confidence in me at a young age. My two years playing for him (85-87, his two years as well) were the most fun I had playing hockey. He took us all to mass and to Aunt Carrie's for breakfast before the state championship game and always kept us in stiches. The players all loved him. May he rest in peace.

“ To the entire Nadeau family.... I am truly sorry for your loss. My first memories of "Nads" was when he worked at the Marcotte Park playground. He would delight in taking on all comers in the paddle ball game, and absolutely crush us kids, showing no mercy. We loved every minute of it. I swear that he had that same gravely/squeaky voice even then. He'll be sorely missed. You are in my thoughts and prayers. Dennis Gervais, Portland, ME

“ We were so very sorry to hear of Coach's passing. I have so many fond memories of him and the whole family as we spent many happy times together watching he and my father coach The Blue Devils. "Nads" had such a "joie de vivre" and all who were lucky enough to know him couldn't help but be touched by it. I can still hear his raspy voice now....telling one of his famous "stories"...with such enthusiasm and laughter. He was a wonderful family man and friend. My father loved him dearly and was so very honored to be Angela's godfather. My thoughts and prayers are withyou all as you mourn his passing and begin celebrating his life. God Bless you!!!

“ To Mary, Angela, Anna and the rest of the family. My most sincere condolences. There is a ripple effect of sadness throughout this part of the state of Maine. And then in the next moment smiles at what must have been a funny saying, zany antics and a myriad happy memories that were uniquely Paul, Nads and the many other nicknames he had acquired through this very short time here on earth. Very close to my heart were the times after our soccer games and the Nadeau home on Pearl St. If we had won it was the best of times with pizza and libations ("a million of them" as Nads would say) If we lost it was sombre and reflective and you could bet that by the time we left we had a plan and a response for our next opponent. I went to the hockey game last night (St. Dom's vs Lewiston) and so many people came up to me to talk about Paul and how he had a profound effect on them as a player, a friend or a parent. I think I may have missed half the game. Nads would be happy. Lewiston won four to one. So many stories, so many smiles were brought about by Paul. A legend in the coaching community has passed. Mary he is not alone in heaven as Coine Turcotte and Lou Biron have recently passed and I assure they are enjoying themselves together. St. Peter has his hand full with those three. For me, I will miss his voice, jokes and stories (all the great ones were able to tell them flawlessly), the good times. He introduced me to coaching and I've been at it every since. He influenced my style because his was the most fun and competitive. I am only one of the hundreds he has had an impact on. As long as I coach and live his memory will live. I say good bye to a long time friend, mentor and fellow coach and teacher. Mike

“ *Paul Nadeau was a great coach and example. The founder of Lewiston High soccer, Big Nade taught me the game and gave me a passion for it that I've never lost. He was a tremendous competitor but more than anything he made the game fun-the way it should be. Mr. Nadeau made the world a happier, better place and will be dearly missed. RIP Coach. Mato '79*

“*Mary, Angel and Anna. My sincere condolences to you and your families. I will miss the man who introduced me to coaching. Little did I know what the impact would be. He will always be the Father of Soccer here in the Lewiston - Auburn area. I will always remember the fun we had. Especially the wins and celebrations at the home on Pearl St. which usually included pizza and beverages ("a million of them" as Paul would say). He had a way with kids like no other coach. His style will never be duplicated, remembered, but never done the same way. I went to the St. Dom's-Lewiston hockey game last night and I barely saw half the game because so many ex-players and friends talked to me about "Nad's" passing. Everyone of them had a story or memory of him. I'm sure that he was a topic throughout the arena on both sides of the ice. Paul would be happy. Lewiston four and Saint's one. I believe there was a ripple of sadness throughout this part of the state when his passing came about. That followed by smiles of the times and stories that were uniquely Paul. Butch Dow who is the Bates College women's goalie coach and also varsity girls soccer coach at LHS reminds me most of Paul. Butch watched and learned from him. He still has many of his little sayings down and brings them up occasionally. Mary, He'll never be forgotten. His genius was his ability to communicate to people who would listen and learn. It was his competitiveness and humor that caught the kid in all of us. Forever young, is what he was. Rest assured he is up to his old antics in heaven as Coine Turcotte and Lou Biron have both passed recently and they most likely are giving St. Peter a run. From Millinocket to Kittery and Bethel to Castine the memory of Nads will live on. There are tears and smiles, stories and myths. The man will be missed. I know as long as I live and coach his influence will be with me permanently imprinted. God bless you Nads. Mary, Angela, in time the heart will lighten with the knowledge that love conquers all. You know there is so much of it for You, your families and for Paul. A friend Mike*

“ Nads was the best coach ever. He taught me to dig deep on the field and in life. He could be tenacious, hilarious, flattering and then unflattering, pissed and then the happiest guy ever all in a five minute span. He pushed to take a group of us to England with Mary to play soccer and it was the trip of a lifetime. Before games or after a poor half he would pump us up by saying that his father was sick and didn't have long so play one for him. I think his father passed away 5 times in 1 season. He really loved us all and will be missed. My deepest sympathies to his family....Pass #16

“ To the entire Nadeau Family, my deepest condolences. Coach Nadeau was the varsity coach my freshmen and sophomore years at LHS. Although I only interacted with him those two years, he had a lasting impact on me. He taught me what it meant to be a Blue Devil and the importance of team, hardwork and determination. “ I had the pleasure of being in Mr. Nadeau's class for 2 years at ACS back in 2001 and 2002. I hated math but he some how made it fun and interesting. He could never pronounce my name so he used to call me "Big H". He was truly a frat teacher and a even better coach. He used to wear these multicolor reading glasses in class that made all of us laugh. He was a special person and by far one of my favorite teachers I've ever had. I know he is in a better place now. He touched so many of his students lives with a simple laugh or a smile.

I entered the military and departed Lewiston, so it's been a long time since I last saw and talked with Nads (what we called Paul), but he touched many through his teaching and coaching. “ To Mary and all the family. Paul played baseball with my brother David, New Auburn Legion, and the Auburn Aces. He was forced in to umpiring a western Maine preliminary game when the scheduled umpire did not show up that day. He was in the stands with Mary our Lisbon High School music teacher in 1976. I pitched that day and Paul did an outstanding job as you are all aware that he would. Affectionally known as Stone Fingers Neadeau from his baseball days, he enriched everybody's life around him, and made everybody a better person. It is sad that he is gone, but he is in a better place now, and we all look forward to seeing him again in the afterlife.
