“ Family, I am sorry that I missed Paul's passing and just discovered this. I was one of Paul's techers and have known the character since 1980. I will miss him very much. I have many stories about Paul down thru the years. One of my favorites is how I learned very quickly to go to Golden Corral when we went out to eat otherwise I would go broke. I will miss those eating contests we had a couple of times a year. Only nice thoughts and prayers!
