Obituary of Paul Soule'

Paul Shampam Soule' CLU, MSFS, 75, Fruitland Park, FL, died Saturday, June 8, 2013.

Mr. Soule' was a chartered financial consultant and an accredited estate planner and a Mass Mutual insurance agent for more than 35 years. Born in Canton, OH, he moved with his family to Miami, FL in 1941 where he graduated from Miami Senior High School and the University of Miami. An Eagle Scout as a young man, Paul's love for aviation led him to the Air Force where he spent 18 years on flying status and retired with the rank of Lt. Colonel.

An avid outdoorsman, Paul loved to fish and wing shoot. Other avocations included woodworking and buying, selling and refurbishing private and corporate aircraft, the latter turning into yet another successful entrepreneurial business for which he was well known in the aviation community. His true love in life, besides his wife, was piloting an airplane.

Paul's dedication to his clients as a financial advisor was also displayed in his philanthropic work as a board chair for numerous estate and tax planning associations and charitable planned giving advisory societies in the Miami area. He also served as Chairman of the Board for the Baptist Health South Florida Foundation. Paul's dedication to helping those serving the medical community continued with his move to Fruitland Park in October of 2011.

He is survived by his wife, Jodie; sons David Soule' of Austin, TX., Steven Soule' of Houston, TX., his brother, George "Skip" Soule' of Summerfield, FL., and four grandchildren: Terri, Eli, Kristen and Alexis.

“ Dear JOdie, I know how heartbroken you must be. Paul was such a unique human being. A tribute to the best a man can be, refined, wise, genteel, humble and humor-filled. He has left a tremendous void in our entire community and we are all sharing in your sadness, Paul adored you and raved about how lucky he was to have you, I'm sorry he left too soon. I'll be thinking of you and holding you in my heart as you journey down the road of grief that's ahead. Take your time and be strong knowing that Paul is with you. He too, is on his own journey now and I pray for him also. Heaven has another angel, in the deepest sense! Love to you and your family, Gabriole Van Bryce

“ The news of Paul's death was a shock to both Shawn and I, Over the last 30 years, I have learned so much from him,helping me with my management position at South Dade Lighting, and also my personal money management.He started the Founders Club of South Dade,and contributed so much to all of the members, with his "financial predictions" in January of each year, and his smile each Tuesday of every month at our meetings. Jodie, please know how sorry I am for your loss, he was a friend and always had a pleasant and helpful suggestion when I had a question. He will be missed.
Sincerely, Kathy
